

SALTASH PLACE

POUNDBURY

Our latest development in the heart of Poundbury

A luxury development of 34 two bedroom apartments, four bedroom luxury villas and two coach houses. With Help to Buy and Shared Ownership options, there's something for everyone.

With a large Waitrose, a delightful pub, the local butchers and plenty of boutiques and cafés on one side and the rolling Dorset countryside on the other, you'll be in an idyllic setting here at Saltash Place.

The wonderfully modern and spacious interiors include large windows to let the light pour in, kitchen and bathroom features can be customised from bronze, silver and gold specification packages to suit you and there are great sized bedrooms throughout with plenty of storage. Saltash Place is also generous with its outdoor space, offering gardens and garages at selected properties.
